Piecing the house

Make hst from one sky (lt. blue) 4" square and one eave (red) 4" square. Square to 3 ½".

Make hst from one sky (lt. blue) 4" square and one roof (dk blue) 4" square. Square to 3 ½".

Make hst from one eave (red) 4" square and one roof (dk blue) 4" square. Square to 3 ½".

Section 1

1. Sew both front eave hst together according to picture
2. Sew one house front 2 ½" X 5" rectangle to each side of 2 ½" X 5" door, according to diagram.
3. Sew 2" X 6 ½" rectangle above the door section as shown in diagram,
4. Join the eaves section above the house section.

Section 2

5. Sew 3 ½" roof square to roof/sky hst unit.
6. Join 1 ½" X 3 ½" window frames and 2" X 3 ½" windows together.
7. Sew one 2" X 6 ½" rectangle above and below window section.
8. Join the house front section to the house back section.
9. Attach grass / ground (2" X 12 ½" rectangle) to bottom of house.

Section 3

10. Join sky 2" X 8" rectangle to one side of chimney 2" square and sky 2" X 3 ½" rectangle to the other side of chimney.
11. Attach sky section roof section.
12. Block measures 12 ½" X 12 ½"

You could be creative and make your own center panel. An embroidered panel would also be amazing. Once the borders are added, this panel replaces four 12 ½" blocks . . . imagine what you can do.

The corner stars could be floating stars, sawtooth stars, Ohio stars, four patches, nine patches . . . when you use your imagination the sky is the limit.

If you "color outside the lines" please share a picture with me, I'm excited to see what you can do.

Adding the border to the house block::

Cut four $6\frac{1}{2}" \times 12\frac{1}{2}"$ side, top, and bottom borders.

Make four 6" finished ($6\frac{1}{2}"$ unfinished) friendship stars using your favorite method.
